

PANTHER ATHLETIC BOOSTER CLUB

WILLIAM T. DWYER HIGH SCHOOL

Did you know?

- *William T. Dwyer High School has 30 athletic programs, with more than 50 teams*
- *Dwyer has won more than 100 regional, district, and state titles since opening in 1991*
- *The school district provides the fields and coaches' stipends for these sports but **does not provide any funding for uniforms, equipment, transportation, registration fees, or officials/referees***
- *Each team is self-supported and must do its own fundraising*
- *Each athlete must pay \$75 per year for district mandated insurance; many students cannot afford this fee*

What is PABC?

The Panther Athletic Booster Club (PABC) is a non-profit 501(c)(3) organization to help raise funds. All teams are members and can apply for financial assistance from the PABC.

The PABC supports Dwyer students, staff, visitors, and organizations with donations and Gear Shop merchandise. The PABC spends thousands of dollars each year to support our teams and needs your help.

How can you help?
